Apatitrosa

MOEDING IS DEVELOPING GLAZES FOR ANY COLOR YOU COULD WISH
Here you can find an overview of the current glazes we've used for various items or which are currently being developed in our lab. Our color archive is full of samples: So don't delay in explicitly requesting a specific desired color (e.g. by specifying a RAL or PANTONE number).

max. Length / Format	Length = 3000 mm / Width = 1000 mm
min. Format	Width = 150 mm
EN/DIN	DIN 18516, Teil 1 Außenwandbekleidung
Characteristics Info	Tile facades from MOEDING can take on any shape and form. Due to the latest technical systems, nearly any desired form can be produced – whether bent, waved or based on a three-dimensional shape. There is also the greatest of flexibility in the color design. From natural brick colors to glaze colors as desired to special effect glazes or manual color design – there are no limits to one's imagination here.
