## CLAYSTONE 4282007

**Ice Breaker****Interface**

<https://www.interface.com/EU/de-DE/homepage> |

**Type:**    **Carpet | Tuft**

Etched, scratched, scored. The subtle, seemingly random lines of Ice Breaker reflect the cracking and crazing of frozen water. The colourways build from a grey foundation, warming neutrals in tones of oatmeal and soft mushroom create a comforting base while peach and muted pink shades foster a sense of calm and serenity. The palette also includes pops of bolder colours to provide an impactful statement to your interior scheme.

| Size of the CAD & BIM texture         | Height: 500.0 mm / Width: 500.0 mm   |

#### IMPORTANT LEGAL INFORMATION FOR USAGE OF THE MTEXTUR-DATABASE AND MTEXTUR DATASHEET:

In the mtextur-database and the mtextur-datasheet you can find a variety of high-quality digitalized materials, classified according material-type and subtype, color scope, field of application, manufacturer and product-line. The liability of the colors and the pattern of a CAD-texture can not always be guaranteed. For binding samples and additional questions please get in contact with the manufacturer or reseller directly (request link on material page). The information found on the mtextur-database is carefully collected and tested. Nevertheless are there possibilities for mistakes or wrong information. The publisher, h2c GmbH, the according manufacturers and resellers are not liable for any missing or incorrect information and its outcome, except h2c GmbH acts insofar willful.
