## DL 08 Mythen - lichtgrau

kelesto Signa

Keller Systeme AG

<https://www.keller-unternehmungen.ch> | [info@keller-systeme.ch](mailto:info@keller-systeme.ch)

**Type:** Sight stone - Clinker | Clinker

Fuge: Grau

Form und Bewegung an der Ziegeloberfläche.

Die Optik der Klinkerfassaden bildet traditionell ein Zusammenspiel aus Farbe, Form und Fuge. Doch was, wenn weitere Faktoren angeboten werden können, was wenn der Architekt und Designer die Form der Oberfläche der Fassade mitgestalten kann?

|                                       |                                                                                                                                                                                                                                                                                                 |

#### IMPORTANT LEGAL INFORMATION FOR USAGE OF THE MTEXTUR-DATABASE AND MTEXTUR DATASHEET:

In the mtextur-database and the mtextur-datasheet you can find a variety of high-quality digitalized materials, classified according material-type and subtype, color scope, field of application, manufacturer and product-line. The liability of the colors and the pattern of a CAD-texture can not always be guaranteed. For binding samples and additional questions please get in contact with the manufacturer or reseller directly (request link on material page). The information found on the mtextur-database is carefully collected and tested. Nevertheless are there possibilities for mistakes or wrong information. The publisher, h2c GmbH, the according manufacturers and resellers are not liable for any missing or incorrect information and its outcome, except h2c GmbH acts insofar willful.
